Professional Skills

Research Skills
EEG, fMRI, TMS
Behavioural experiments
Surveys/Questionnaires
Interviews/Transcription
Service Evaluation
Data Entry and Cleaning
Data Analysis (qualitative and quantitative)
Training External Researchers
Presentations to Clinicians and Academics
Ethics Application/IRAS Amendments

Clinical Skills
Phlebotomy Skills
Contingency Management
Motivational Interviewing
Psychometric Measures
PANSS trained
Multidisciplinary Team Working
Psychoeducation for Patients and Families
Harm Reduction/Needle Exchange
Policy Writing
Co-facilitating Psychology Groups

Software/Programming
ψ Microsoft Office
ψ Python
ψ R
ψ Nvivo
ψ SPSS
ψ Matlab/SPM

Additional Skills
Collaborative Work
Individual Work
Project Design
Literature Searches
Critical Thinking
Publishing Papers

Doctoral Skills Courses
Arena One Gateway Workshop – Training in teaching and marking at UCL.

Education

02/2018- Present: University College London (UCL) - PhD in Psychiatry
Thesis: **The Effects of Antipsychotic Reduction and Discontinuation of Social Cognition**
Supervisors: **Professor Joanna Moncrieff, Professor Eileen Joyce, and Dr Nadia Crellin.**

01/2016-01/2017: Middlesex University -PGDip Mental Health Practice

10/2012-10/2013: MSc Functional Neuroimaging - Brunel University
Thesis: **An fMRI analysis of responses to emotionally valenced images.**
